Great Creator of this fallen world,
please contemplate your ways of error
and thy wrongful doing.

AUÐUR
Mercy! Mercy! Mercy! Show mercy!
Do your angels still believe in you?
Can you mend their mournful, broken hearts?

Toiling, drudging, striving, struggling,
brawling, battling, hurting, fighting.
Toiling, drudging, striving, struggling,
brawling, battling, hurting, fighting, killing...
Lord, what have you done?

Great Creator of this fallen world,
please cease your reign of terror
and make way for your embracing,
calming, caring, healing force of love.
